_____/_____/_____ OFFICE USE ONLY			

The Midwest Association of Golf Course Superintendents (MAGCS) will offer three \$2000.00 scholarships to the children or grandchildren of MAGCS members who are outstanding students and have demonstrated strong potential for future success.

Eligibility

1. At least one of the applicant's parents or grandparents must be a MAGCS member in good standing for at least three or more consecutive years and must be a currently active member in one of the following classifications: A, SM, C, D, or E.
2. The applicant must be enrolled full-time at an accredited institution of higher learning, or in the case of high school seniors, must be accepted at such institution for the next academic year. Graduating high school seniors must attach a letter of acceptance to their application.
3. Any number of students from the same family may apply, but only one student per family will be eligible to receive the scholarship.

Criteria for Selection

1. Applicants will be evaluated on academic achievement, extracurricular activities, community service, essay score and quality (neatness and organization) of application.
2. The applicant must submit an original *250-word* essay. The topic of the essay is stated on the last page of the application.
3. The essay must be in the applicant's own words and one not previously submitted to the MAGCS.
4. The majority of scholarships will be given to the class (high school senior or current college student) based on the amount of applications received. In the event of a tie, the tie shall be decided at the discretion of the judging panel.

How to Apply

Students must complete and submit the attached application form and supply the following under one cover:

1. Transcripts from all high schools and colleges attended.
2. A typed original essay.
3. Graduating high school seniors must attach a collegiate letter of acceptance to their application.
4. All completed applications must be received by June 16, 2017 @ 5 pm.
5. Send or email (*preferred*) completed application packet to:
