

Wadsworth Golf Construction Company

Midwest Headquarters

Plainfield, Illinois

Since 1959

Summary of Position(s) Available:

The Wadsworth Golf Construction Company is currently seeking enthusiastic and motivated team members for the following job positions:

Project Managers

Site Superintendents

Operators – Mini-Excavator, Skid Loader or Farm Tractor

Drainage Foremen

Grassing Foremen

General Laborer

Experience in managing projects and/or staff is required and the ability to travel may be required. Efforts are being continually made to keep crews active in the Chicagoland market. Responsibilities would include working in all phases of golf course construction, including layout/staking, drainage, irrigation, feature construction and grassing.

Qualifications:

Requirements for all management positions include:

- Motivated and determined
- Willingness to learn all aspects of golf course construction
- Ability to work Monday-Saturday or 50-58 hours/week.
- Ability to manage a crew size of 4-20 employees
- Driver's License
- Preferred college degree or certificate in related field

Compensation & Benefits:

The expected salary range is between \$60,000-90,000 annually, dependent on the position and experience. Benefits include:

- Partially-funded health insurance plan
- Company vehicle (insurance, fuel and tolls included)
- Vacation and Sick Days allowance
- Reimbursable travel and business expenses
- Participation in company's 401(k) program
- End of year bonuses based on performance
- Additional benefits provided based on longevity

Availability:

We are looking for individuals to start immediately. We have secured several projects in Illinois for 2024 in Lemont, Wheaton, Evanston, Urbana, Aurora and Burr Ridge. We also have openings for projects in Alabama, Arizona, Indiana, Minnesota, North Carolina, Tennessee, Texas and Wisconsin.
