

Exmoor Country Club 2nd Assistant Golf Course Superintendent

Education:

2-4 year degree in Agronomy, Turfgrass Management or related field

Experience:

1-3 years golf course work experience

Special Requirements:

- Must obtain or possess an Illinois pesticide applicator's license prior to golf season.
- Passionate, detail oriented person with the desire to learn, evolve and grow within the industry.
- Self-motivated individual willing to work extended hours during the golf season to complete the job at hand.
- Under the direction of the superintendents, applicant will experience all facets of country club grounds maintenance including but not limited to golf course setup, irrigation operation and repair, fertilizer and chemical application and calibration, crew and project management, drainage installation, inventory control and equipment operation and maintenance.
- Full-time, year round position – snow removal, assisting mechanic and preparations for the following year.

Comments:

Founded in 1896, Exmoor is an 18-hole private country club located on Chicago's North Shore. The course was redesigned by Donald Ross in 1914 and restored by Ron Prichard in 2003. Greens were resurfaced to bentgrass in 2014. The Club possesses a 3-hole golf short course, 7 Har-tru tennis courts, 4 paddle courts, pickle ball court, swimming pool and curling house. Exmoor will host the Constellation Senior Players Championship July 9th-15th, 2018.

Date Available:

February/March 2018
